To whom it may concern,

As the farm manager and tenant at one of the houses at Rock Creek Farm, I have dealt with Kevin Ransom many times in the last ten years. Kevin and his people have always been professional and easy to work with. They have always been quick to respond to emergencies and have provided high quality maintenance and repair work to the houses here. Whatever Kevin is working on, he acts in the best interest of the county, using his experience and common sense to save money where he can, while making sure the job is done right.
